

48001 - 3-in-1 Parka  
MSRP Price: \$259.99

Our 3-in-1 Parka is absolutely packed with features that make it both functional for duty wear and practical for daily wear. The outer shell is constructed from our High Performance waterproof/breathable system and its removable inner fleece jacket adds warmth, or can be worn on its own. The 3-in-1 features removable front and back ID panels that can be imprinted or purchased pre-printed. Fleece-lined handwarmer pockets and a removable hood round out this outerwear staple. Side zippers allow access to your duty belt. Includes a free ANSI II traffic vest.

The 3-in-1 Parka is compatible with our Back-Up Belt System™ that allows you to store essential gear inside the parka's hidden document pockets. Imported.
